REVOCATION AND NEW POWER OF ATTORNEY

Under 37 CRF §3.73(b) Tredegar Film Products Corporation, a Commonwealth of Virginia corporation, certifies that it is the assignee of 100% of the right, title and interest in the twenty-five (25) patents and patent applications listed on the attached Appendix (TABLE 1) by virtue of assignments from the inventors of the patent applications. The assignments for all of the twenty-five (25) patent applications were recorded in the Patent and Trademark Office at Reel and numbers provided in the Appendix (TABLE 1).

The undersigned, whose title is supplied below, is empowered to act on behalf of the assignee.

The undersigned, acting on behalf of the assignee, hereby revokes all powers of attorney previously granted in the applications and appoints the practioners associated with **Customer Number 53476** with full power of substitution and revocation, to prosecute the patent applications and to transact all business in the United States Patent and Trademark Office connected with the patents and patent applications.

Per 37 C.F.R. § 10.18(b), the undersigned has reviewed all the documents in the chain of title of the patents and patent applications listed on the attached Appendix (TABLE 1), or made

an inquiry reasonable under the circumstances, and, to the best of the undersigned's knowledge and belief, title is in the assignee identified above.

All correspondence regarding the patents and patent applications should be sent to the address associated with **Customer Number 53476**.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the applications or any patents issued thereon.

Respectfully submitted,

Date: 10 August 2006
